Local AI. Ready to use.

Secure AI Box

Secure, compliant AI on your own infrastructure.

For employees, development and your systems.
NeuroSYS configures the models, security and workspace.

From **NOK 139,000**

Complete one-time purchase · You own the unit

Behind your firewall

No per-user or token charges

Expand as your needs grow

AI at work.
Data under your control.

For everyday work

Documents and knowledge

Summarise reports, find answers and draft content.

Development and integrations

Connect AI to your tools and workflows via API.

Your own AI chat

A ready-to-use workspace for employees.

On your terms

Local processing

Business data is processed behind your firewall.

Access and encryption

IT manages users and roles. FileVault protects stored data.

Your data stays yours

No training of shared models. No standing access for NeuroSYS.

Configured by NeuroSYS

Mac Studio with M5 Ultra

96, 256 or 512 GB memory. 2 TB storage.

Model selection and optimisation

Local models, security setup and testing on your unit.

Ready to get started

Open WebUI, an OpenAI-compatible API, documentation and handover.

More units. AI for more people.

We can expand the system and share the workload as more employees use AI.

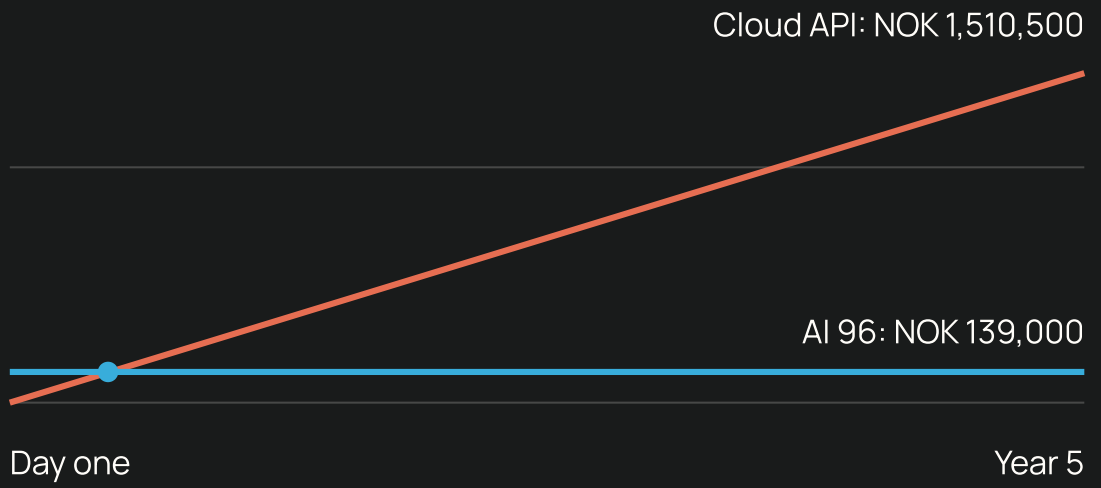
One purchase. Lasting value.

Cumulative cost over five years

Payback in this example

6 months

NOK 139,000 once, compared with NOK 25,175 per month for the same token volume via a cloud API.



Your Own AI 96

NOK 139,000

Indicative: 5–25 employees*

Your Own AI 256

NOK 199,000

Indicative: 25–50 employees*

Your Own AI 512

NOK 399,000

Indicative: 50–100 employees*

Complete one-time price per unit. Optional updates and expert assistance: NOK 39,000 per unit/year. Larger systems are quoted individually.

Website example: 700m input and 125m output tokens/month, Claude Sonnet 5 list price, USD/NOK 9.5. No caching, batch or volume discounts. Local electricity, operations and optional services are excluded from the chart and payback period. * Employee numbers depend on models, tasks and concurrent use. Prices exclude VAT.
